ADAM SCHIFF

United States Senate  
WASHINGTON, DC 20510

Dear Ms. Le:

Thank you for contacting me regarding your concerns with Elon Musk. I appreciate hearing from you and welcome the opportunity to respond.

I am deeply alarmed that Elon Musk, the world's richest man, who has been given broad access to the resources of the American people with no oversight, has reportedly gained access to the Treasury Department's payments system. This access could potentially give him control of the funds Congress has already legally provided for healthcare, housing, child care, small businesses, and students. Additionally, Musk's Department of Government Efficiency (DOGE) has reportedly infiltrated multiple federal agencies, including the United States Agency for International Development (USAID), the Department of Education, and the Internal Revenue Service (IRS). Musk is gaining control of high level, sensitive information that could advance his own business interests and that of his billionaire friends and enable the Trump Administration to target and punish its political opponents.

Please know that, as President Trump and his allies like Musk continue to try to take away the rights and freedoms of the American people, I will stand up to him and defend our country and our Constitution in every way possible. I am committed to using every lever at my disposal to block Trump and Musk's illegal takeovers and shutdowns of government agencies and firings of federal workers. Every single day of his Presidency, I will hold Trump and his administration accountable and be a constant check on every abuse of power.

Transparency has been a goal of mine throughout my time in Congress. You can find detailed information on every bill introduced in the Senate on [Congress.gov](https://www.congress.gov), including the summary and full text of the legislation, which Senators have co-sponsored it, and the most recent action taken by Congress.

An ongoing job of a Senator is to help constituents solve problems with federal agencies, access services, and get their questions answered promptly. On my website, I offer a guide to the services my office can provide, as well as a contact form where you can share your priorities with me. You can also connect with me online via Facebook or Twitter, and you can always reach my office by phone at (202) 224-3841.

Thank you again for your thoughts. I hope you will continue to share your views and ideas with me.

Sincerely,
